

.tel joins Sway and Tim Kash for a Movie Celebration Weekend Party in style

Hollywood, California – Tuesday, 26th May 2009 – This year's exclusive Hollywood Movie Celebration Weekend Party on Friday 29th May, hosted by television personalities Sway Calloway & Tim Kash, will have an added dimension to it through the participation of .tel.

Stacked with a performance from Now Wave Rock Band 'KUDU' whose drummer, Deantoni Parks, is featured in Mark Ruffalos' New film "Sympathy For Delicious", this year's Movie Celebration Weekend Party will be haute!

.tel is the hot new online service which has sold over 200,000 accounts in the six weeks since its launch. Telnic, the company behind .tel, is joining a handpicked selection of other key sponsors with Sway and Tim on the red carpet and then will be partying with exclusive A-list celebrities, artists and musicians into the night. Guests will be provided with .tel accounts so that they can get the benefit from 'the new way to communicate' and securely share all the ways they want their fans, friends and acquaintances to interact with them. So, whether it's Twitter or the telephone, they'll be in control of how people can reach them to congratulate and celebrate with them this Movie weekend!

Photographs of the red carpet will be available after the event on request from news@telnic.org.
